RE: Order amending the Canadian Chicken Marketing Levies Order

Dear Brian,

CFC is seeking Farm Products Council of Canada's approval to amend the *Canadian Chicken Marketing Levies Order* (Levies Order) increasing Manitoba's levy rate from 2.46 to 2.65 cents. Upon conducting a thorough review and comparison of projected revenues and expenses for both 2025 and 2026, the Manitoba Chicken Producers Board determined that a levy increase was essential to ensure ongoing financial stability of the organization.

If you require any additional information, please do not hesitate to contact me at 613-566-5907.

Sincerely,

Lori Piché
