Registration Decision Statement¹ for Pelargonic Acid, Beloukha Herbicide and Beloukha Agricultural Herbicide

Health Canada's Pest Management Regulatory Agency (PMRA), under the authority of the *Pest Control Products Act*, is granting registration for the sale and use of Pelargonic Acid Technical, Beloukha Herbicide and Beloukha Agricultural Herbicide, containing the technical grade active ingredient pelargonic acid, to provide burndown, spot, and inter-row weed control in fruit, vegetable and field crops, desiccant and pre-harvest weed management in potato and cereal crops, sucker control in grapes and tree fruits, and control of unwanted weeds and mosses in non-crop areas.

This decision is consistent with the Proposed Registration Decision PRD2019-15, *Pelargonic Acid, Beloukha Herbicide and Beloukha Agricultural Herbicide*, which contains a detailed evaluation of the information submitted in support of this registration. The evaluation found that, under the approved conditions of use, the health and environmental risks and the value of the pest control products are acceptable. Health Canada received no comments on PRD2019-15.

Other Information

The relevant test data on which the decision is based (as referenced in PRD2019-15) are available for public inspection, upon application, in the PMRA's Reading Room (located in Ottawa). For more information, please contact the PMRA's Pest Management Information Service by phone (1-800-267-6315) or by e-mail (hc.pmra.info-arla.sc@canada.ca).

Any person may file a notice of objection² regarding this registration decision within 60 days from the date of publication of this Registration Decision. For more information regarding the basis for objecting (which must be based on scientific grounds), please refer to the Pesticides section of the Canada.ca website (Request a Reconsideration of Decision) or contact the PMRA's Pest Management Information Service.

¹ "Decision statement" as required by subsection 28(5) of the *Pest Control Products Act*.

² As per subsection 35(1) of the *Pest Control Products Act*.
