

# DANGEROUS INSECTICIDES

These pesticide products contain dichlorvos at a level that is very **dangerous** for human health.

**DO NOT USE THESE PRODUCTS.**

Only use insecticides that have been assessed for safety and efficacy by Health Canada. Look for a *Pest Control Product Act* registration number on the product label and follow the directives on the label to use it safely.

It is **illegal** to import, sell and use insecticides that are not registered by Health Canada.
