LICENCE APPLICATION DISCLOSURE REQUEST

58
59

60 As you are aware, Health Canada is striving to add transparency to the medical device review process. One area
61 we would like to address is the requests from interested parties regarding whether or not a licence application has
62 been received by the Medical Devices Bureau (MDB).

63

64 The purpose of this form is to request your signed authorization - in advance - if we receive such a request, to
65 disclose the date on which a licence application has been received by the MDB. No other information would be
66 supplied.

67

68 Please indicate your consent by completing this form and sending it with your application for a new medical
69 device licence, or any time after a licence has been granted.

70

71

72 Disclosure Statement:

74 In the case where the Medical Devices Bureau (MDB) has received requests concerning the status of the new
75 licence application, amendment application, or fax-back application for (enter device name)

76

77 from interested parties,

78

79 this certifies that (*enter the manufacturer's name*) _____
80 has **no objection** to the disclosure to the requester, by the MDB, of the date when an application for the
81 device entered above, has been received by the MDB

82

83 this certifies that (*enter the manufacturer's name*) _____
84 **objects** to the disclosure to the requester, by the MDB, of the date when an application for the device
85 entered above, has been received by the MDB

86

87 In accordance with the *Access to Information Act*, confidential, third party information will not be disclosed
88 without your expressed consent.
