Subject: Port Infrastructure Construction Project – Deception Bay

Dear Mr. Charbonneau:

The Federal Environmental and Social Impact Review Panel North (COFEX-North) has reviewed the inventory protocols you filed with it.

Enclosed herewith is the document containing all the COFEX-North comments and suggestions for enhancing the inventories for the human environment, archaeological potential and avian fauna.

If you require any information, please contact the undersigned at 514-816-4088 or contact Anne-Marie Gaudet at 418-648-7831 or by e-mail at anne-marie.gaudet@ceaa-acee.gc.ca.

Sincerely,

Claude Langlois
FRP-North Chair
