If your documents are not in English or French, you must include the English or French translation, with a certified copy of the original documents and an affidavit from the person who completed the translation (if the translation is not provided by a member in good standing of a provincial or territorial organization of translators and interpreters in Canada).

Note: If your application lacks any of the documents listed in this checklist, it will be returned to you. If you are unable to provide any of the requested documentation, please include with your application, a written explanation with full details as to why that documentation is unavailable and any documentation that would support your claim. Failure to provide supporting documents in certain circumstances may result in the refusal of your application.

COMMON REASONS FOR THE RETURN OF THE APPLICATION PACKAGE

- Required forms were not signed and dated.
- The information on the documents submitted for the principal applicant and their family members, such as on their passport or birth certificates, does not match the Generic Application Form (IMM 0008).
