

# DOCUMENT CHECKLIST REHABILITATION

This document checklist will help ensure that you attach all the required documents to your application. Your entire application will be returned to you with a letter asking for the necessary documents if any information is missing. This will delay processing of your application. If you cannot get documents listed on the checklist and the court, country or territory, and arresting police department do not have the information you require, you must obtain a written explanation from them and include it with your application. In the event you are not able to get a written explanation, you must provide details of your efforts to obtain the information and why it is not available. Documents you submit that are not in English or French must be accompanied by a certified translation.
