PERMANENT RESIDENCE - QUEBEC SELECTED SELF-EMPLOYED AND FEDERAL SELF-EMPLOYED PERSONS

This document is available in PDF format only. You need to mail this form and other documents with your application. Please make sure you print this document, complete it and include it in your application as **the cover page**.

The checklist of required documents is subject to change. Applicants are advised to refer to the CIC website periodically while preparing their submission to ensure that they have included all forms and documents listed on the most up-to-date checklist.

Gather your documents **in order of the checklist** and check each item. Attach small items such as photos and certified cheques with a paper clip, otherwise leave documents unbound. Place all documents in a sealed envelope. If your documents are not in English or French, you must include the English or French translation with a certified copy of the original document, **and** an affidavit from the person who completed the translation (if the translation is not provided by a member in good standing of a provincial or territorial organization of translators and interpreters in Canada). Do not send any additional documents when submitting your application to the Centralized Intake Office (CIO).

 **Note: If you are unable to provide any of the requested documentation, include with your application, a written explanation with full details as to why that documentation is unavailable and any documentation that would support your claim.** If your application lacks any of the documents without a reasonable explanation, it will be returned to you or in certain circumstances could result in the refusal of your application.

IMPORTANT NOTICE: Answer all questions and sign all forms where applicable. Please note that by signing these documents, you are certifying that all information provided therein, whether prepared by you or not, is complete and true in all respects.

If you or someone acting on your behalf directly or indirectly submits false documents or misrepresents facts relating to your application for a permanent resident visa:

- your application may be refused;
- the circumstances of your refusal will be entered into Canada's global immigration database; and
- you and your family members could become inadmissible to Canada for five years under section 40(2) of the *Immigration and Refugee Protection Act*.

The officer will base his/her decision on the documents on file at the time of the assessment. In the following circumstances, it is your responsibility to notify the office processing your case and provide the relevant supporting documentation if there are changes in the following:

- family status (e.g. marriage or common-law union, divorce, annulment, legal separation, birth, adoption, death of the principal applicant or any accompanying family member, including grandchildren born to dependent children);
- mailing address/e-mail address/contact information.

Any changes which we have not been informed of will delay processing or may result in the refusal of the application or the exclusion of a family member.

If you are applying in the **Federal Self-employed class (SE)**, you must submit the forms and documents with a checkbox in the **SE** column.

If you are applying in the Quebec Selected Self-Employed class (**QC**), you must submit the forms and documents with a checkbox in the **QC** column.

**Do not submit originals unless otherwise stated as documents submitted will not be returned.
