

National Film Board of Canada

2018–19 Departmental Sustainable Development Strategy

1. Context for the Departmental Sustainable Development Strategy

Although the [name of department] is not bound by the [Federal Sustainable Development Act](#) and is not required to develop a full departmental sustainable development strategy, the National Film Board of Canada adheres to the principles of the FSDS by implementing the Policy on Green Procurement.

The [Policy on Green Procurement](#) supports the Government of Canada's effort to promote environmental stewardship. In keeping with the objectives of the policy, the National Film Board of Canada supports sustainable development by integrating environmental performance considerations into the procurement decision-making process through the actions described in the "FSDS goal: low-carbon government" table in section 2, below.

2. Commitments for the National Film Board of Canada

Performance indicator	Targeted performance level
