# PAROLE BOARD OF CANADA

## Introduction

In accordance with section 94 of the *Access to Information (ATI) Act*, an annual report to Parliament on the administration of the ATI Act is prepared each fiscal year and tabled in Parliament. This report covers the period from April 1, 2021 to March 31, 2022.

## Purpose of the *Access to Information Act*

The *Access to Information Act* allows Canadian citizens, permanent residents and any other individual or corporation present in Canada the right of access to information under the control of a federal government institution. This right of access is subject to limited and specific exceptions. Decisions on the disclosure of information are reviewed independently of government. This *Act* complements existing procedures for obtaining government information and does not limit in any way the type of information that is normally available to the public under informal access to government records.

The Parole Board of Canada (PBC/Board) recognizes the right of access to information under the control of government institutions as an essential element of democracy, openness and transparency. The PBC respects the spirit and requirements of the *Access to Information Act*, *Access to Information Regulations*, guidelines and related policy instruments.

## Mandate of the Parole Board of Canada

The Parole Board of Canada is an independent administrative tribunal. The PBC is headed by a Chairperson who reports to Parliament through the Minister of Public Safety.

The Parole Board of Canada, as part of the criminal justice system, contributes to the protection of society by facilitating, as appropriate, the timely reintegration of offenders and the sustained rehabilitation of individuals into society as law-abiding citizens. The Board makes independent, quality conditional release, record suspension and expungement decisions, as well as clemency recommendations, in a transparent and accountable manner, while respecting diversity and the rights of offenders and victims.

The PBC has exclusive authority under the *Corrections and Conditional Release Act (CCRA)* to grant, deny, cancel, terminate or revoke day parole and full parole. The Board may order certain offenders to be detained in prison until the end of their sentence. The Board makes conditional release decisions for federal offenders as well as for provincial offenders in provinces and territories that do not have their own provincial boards. The provinces of Ontario, Quebec and Alberta have their own parole boards.

The PBC is responsible for making decisions to order, refuse to order and revoke record suspensions (pardons) under the *Criminal Records Act (CRA)* and the *Criminal Code*. A record suspension is a formal attempt to remove the stigma of a criminal record for people who, having been convicted of an offence, have satisfied the sentence and remained crime-free for a prescribed number of years. The PBC also has legislated responsibility to order or refuse to order expungement of a conviction under the *Expungement of Historically Unjust Convictions Act*

(*Expungement Act*). The Board also makes recommendations for the exercise of clemency through the *Royal Prerogative of Mercy*.

The PBC is comprised of full-time employees as well as Board members appointed by the Governor-in-Council. The PBC's National Office is located in Ottawa and there are six regional offices located in: Moncton (Atlantic), Montreal (Quebec), Kingston (Ontario), Saskatoon and Edmonton (Prairies), and Abbotsford (Pacific). The Appeal Division of the Board is located in Ottawa.

## **Organizational Structure of the PBC to Fulfill its *Access to Information Act* Responsibilities**

The Access to Information and Privacy (ATIP) Unit is led by the Director of Public Affairs and Partnerships, who reports to the Deputy Chairperson of the PBC. ATIP is responsible for:

- processing and responding to all formal requests under the *Access to Information Act*;
- responding to interdepartmental consultations;
- handling complaints from the Office of the Information Commissioner;
- advising senior officials and employees on ATIP-related issues;
- producing the Annual Report to Parliament;
- updating Info Source;
- training employees;
- replying to informal inquiries; and
- coordinating and implementing policies, guidelines and procedures to ensure compliance with the *Access to Information Act*.

The Director of Public Affairs and Partnerships is responsible for administering the legislation and signing exemptions within his delegated authority. In 2021-2022, ATIP staff consisted of the Director, one ATIP Manager, one Senior ATIP Analyst, one ATIP Analyst and one ATIP Clerk. All ATIP staff are located at National Office, however most ATIP staff telework several times a week, in accordance with the PBC's Telework Policy.

Requests are processed as follows:

- the completeness of the request is determined;
- the request is acknowledged;
- search for relevant records is conducted;
- records are analysed under the provisions of the legislation;
- other agencies/ministries are consulted, where appropriate;
- any necessary exemptions are applied; and
- the applicant is provided with non-exempted material.

A tracking system is used to log all actions taken. Consultations with other agencies/ministries take place in most cases when other institutions' information is found in the PBC's files and their recommendations are normally followed.

Reading rooms are available in each of the six regional offices of the Board as well as at National Office.

## **Delegation Order**

Some powers, duties and functions for the administration of the *Access to Information Act* have been delegated to the Chairperson, Executive Vice-Chairperson, Executive Director General, Director of Public Affairs and Partnerships, and to the ATIP Manager. For a copy of the signed delegation order, please refer to Annex A.

## **Formal/Informal Interface**

As reported in previous annual reports, the PBC continues to handle a large number of requests informally through its Public Affairs and Partnerships Division and regional offices. The availability of corporate publications and the PBC website on Canada.ca greatly facilitate access to information about the PBC and its programs. As well, the CCRA directs the PBC to maintain a registry of its written decisions, which are available to members of the public upon written request. This allows Canadian citizens greater access to information about specific decisions related to the conditional release of offenders. The CCRA provides for:

1. A Decision Registry containing all conditional release decisions made by the Board since November 1992, and which is accessible by written request to anyone who demonstrates an interest in a specific case or group of cases;
2. Access by victims to some offender-related information, and;
3. Members of the public to attend PBC hearings.

This law has an important impact on the disclosure of offender-related information to third parties.

## **Impacts of COVID-19**

For the current reporting period, the ATIP Unit did not experience any impacts related to COVID-19 and it continued to complete all existing and new requests within legislative timeframes. ATIP Unit employees have worked a blend of in-office and remote work throughout the pandemic, which has provided for a flexible work environment that has allowed the unit to effectively adapt to the pandemic as it has continued to evolve.

## **Training Activities**

The PBC requires all of its public service staff to complete the online course “Access to Information and Privacy Fundamentals” as part of their Collective Learning Roadmap. Three (3) informal sessions on the *Access and Privacy Act* was also delivered to new Board members and employees by the ATIP Manager. Some examples of the type of information provided to Board employees this past fiscal year include: information regarding the collection, correction, use and disclosure of personal information; the commonly used sections of under the *Access Acts* and they type of information the can be requested. These training sessions were given to approximately fifty-nine (59) Board members and employees.

The PBC continues to have an ATIP training tool on its internal website. The training tool provides information to staff about the roles and responsibilities of each Parole Board employee in relation to the *Access and Privacy Act* and emphasizes that all employees have a role to play when it comes to the collection, retention, disposal of records, how they are handle receiving a retrieval request form the ATIP Unit and protection of personal information. In addition, the PBC continued to expand privacy training by finalizing and posting the privacy principles on its internal website.

## **Revised PBC-related Policies, Guidelines and Procedures**

In keeping with Treasury Board's policies, guidelines and procedures regarding the *Access to Information Act*, the PBC has an ATIP procedural manual to ensure consistency while processing requests under the *Access to Information Act*. In addition, updated information geared towards assisting applicants in obtaining information from the PBC was posted on the external website. This included information on how to make an access to information request, the timeframe for responding to access requests, the principles for assisting applicants, completed access to information requests, Info source, Access to Information and Privacy Annual Reports, Frequently Asked Questions and related links.

## **Key Issues and Actions Taken on Complaints**
