

Asian Heritage Month

Unity in Diversity: The Impact of Asian Communities in Shaping Canadian Identity

Dance can tell a story or express a feeling!

Imagine and draw your own moves using stick figures.

Share your dance with your friends and let them know what inspired you.

Drawing a stick figure is easy :

1. Draw a circle for the head and ovals for the chest and hips. Connect them with lines.
2. From each oval, connect two lines for the arms and two for the legs.
3. You can place little circles for the knees and elbows to show where they bend.
4. Optional — You can also add hands and feet if they are important to your dance.
5. If needed, add arrows to show the direction of a movement.
