INTRODUCTION

The *Privacy Act* (Revised Statutes of Canada, Chapter P-21, 1985) was proclaimed on July 1, 1983. It extends the present laws of Canada that protect the privacy of individuals, and provides individuals with a right of access to personal information about themselves. It also protects the privacy of individuals by denying third parties access to personal information relating to them and enabling them to exercise strict control over the collection, disclosure and use of such information. Necessary exceptions should be limited and specific.

Bill C-58, *An Act to amend the Access to Information Act and the Privacy Act and to make consequential amendments to other Acts* received royal assent on June 21, 2019. This resulted in the most significant amendments to the Act since it came into force in 1983.

The new legislation amends the *Privacy Act* to, among other things:

- create a new exception to the definition of “personal information” with respect to certain information regarding an individual who is a ministerial adviser or a member of ministerial staff
- authorize government institutions to provide to other government institutions services related to requests for personal information
- expand the Governor in Council’s power to amend the schedule to the Act and to retroactively validate amendments to that schedule¹

This annual report is tabled in Parliament in accordance with section 72 of the *Privacy Act* and describes how Prairies Economic Development Canada (PrairiesCan) administered its responsibilities for the reporting period.

ADMINISTRATION OF THE ACT

DEPARTMENTAL MANDATE

Prairies Economic Development Canada (PrairiesCan) was established on August 06, 2021 to support economic growth and diversification in the prairie provinces and advance the interests of the region in national economic policy, programs, and projects through four key roles:

- Investor: create jobs and growth through strategic investments and targeted initiatives
- Advisor: inform economic decision-making and advocate for Prairie interests
- Pathfinder: help people navigate federal economic programs and services
- Convenor: connect economic actors to support collaboration and growth

PrairiesCan is overseen by the Minister of Northern Affairs, Minister responsible for Prairies Economic Development Canada and Minister responsible for the Canadian Northern Economic Development.

The Department operates under the provision of the *Western Economic Diversification Act*, which came into force on June 28, 1988. PrairiesCan's mandate allows the department to deliver a wide range of initiatives across the prairies and make strategic investments to build on regional competitive advantages. Its prairie base enables the department to cultivate strong partnerships with business and community organizations, researchers, academia, Indigenous peoples, provincial governments and municipal governments. These connections help PrairiesCan reflect prairie perspectives in national decision-making.

DEPARTMENTAL STRUCTURE

PrairiesCan is the former department known as Western Economic Diversification Canada (WD). WD served the four western provinces: Manitoba, Saskatchewan, Alberta and British Columbia.

On August 06, 2021, two separate organizations were created, to replace Western Economic Diversification Canada:

- Prairies Economic Development Canada (PrairiesCan)
Serves Manitoba, Saskatchewan and Alberta
- Pacific Economic Development Agency of Canada (PacifiCan)
Serves British Columbia

PrairiesCan employs 418 individuals across the prairies and in Ottawa, including economists, commerce officers and policy analysts. Specialists in such areas as communications, corporate administration, financial management, human resources, information management & technology, and procurement, provide the policy and programs analysts with support. PrairiesCan is headquartered in Edmonton, Alberta.

The Human Resources and Corporate Services unit (HRCS) is responsible for a broad range of services, including Access to Information and Privacy, administered by the unit's ATIP Centre of Expertise. HRCS is part of the Finance and Corporate Management Directorate located in Edmonton, Alberta.

The ATIP Coordinator, who is supported by one Corporate Services Advisor and three ATIP Officers, oversees PrairiesCan's ATIP Centre of Expertise in addition to numerous other programs within the department. The Corporate Services Advisor and ATIP Officers process all access and privacy requests. No additional reporting or monitoring of privacy files is conducted by other departmental officials due to the confidential nature of these requests.

ATIP CENTRE OF EXPERTISE

The PrairiesCan ATIP Centre of Expertise is responsible for the implementation and management of the Access to Information and Privacy programs and services for PrairiesCan. Specifically, the ATIP Centre of Expertise:

- makes decisions on the disposition of personal information requests;
- conducts consultations with other federal government departments, other levels of government and third parties with respect to access to information and privacy issues, if required;
- promotes awareness of the legislation to ensure departmental responsiveness to the obligations imposed by law;
- monitors and advises on departmental compliance with the Acts, regulations, procedures and policies; and
- acts as the spokesperson for the Department when dealing with the Treasury Board Secretariat, the Information Commissioner, the Privacy Commissioner, and other government departments and agencies.

The ATIP unit provides a full suite of ATIP services, as per an Internal Services Agreement, to PacifiCan. Statistics and information regarding PacifiCan are contained in a separate report. Care was taken to ensure the accurate allocation of statistics and data between PrairiesCan and PacifiCan.

DELEGATION OF AUTHORITY

The current delegation order was issued December 02, 2021 in accordance with subsection 73(1) of the *Privacy Act*. The Minister responsible for Prairies Economic Development Canada delegated full powers, authorities and responsibilities to the:

- Executive Director, Finance and Corporate Management
- Director General, Human Resources & Corporate Services
- Director, Human Resources and Corporate Services
(Access to Information and Privacy Coordinator)

The delegation also extends limited authority to the ATIP Officers (Annex B).

The ATIP Centre of Expertise is accountable for the development, coordination and implementation of policies, guidelines, systems and procedures to manage the department's compliance with the Acts. Compliance is also facilitated by an ATIP Liaison Officer, in each regional office and corporate business unit, who report to an Assistant Deputy Minister, Executive Director, or Director, to liaise with the ATIP Centre of Expertise concerning enquiries.

Each of these offices is responsible for searching and retrieving records responsive to privacy requests received under the *Privacy Act*. The ATIP Centre of Expertise, however, is legally responsible for implementing and managing the ATIP program and services for PrairiesCan, including all decisions on the disclosure or non-disclosure of information pursuant to the legislation.

POLICIES, PROCEDURES AND BUSINESS PROCESSES

To ensure that Treasury Board Secretariat privacy-related policies and directives are respected and implemented, the ATIP Centre of Expertise regularly reviews its various internal guidelines, procedures and business practices. No new, revised institution-specific policies, guidelines, procedures, or initiatives related to personal information were implemented in PrairiesCan during the reporting period.

The ATIP unit monitors its compliance with request deadlines via a software solution (AccessPro). A weekly report is created and disseminated, on a need-to-know distribution list, up to the Assistant Deputy Minister level. It discloses all open and outstanding ATIP files and their respective status. It includes investigations by the Office of the Privacy Commissioner of Canada along with other privacy processes underway. No personal information is included in the weekly report.

TRAINING AND AWARENESS

The ATIP unit has provided ATIP process awareness training for the Alberta region ATIP Liaisons, the Policy & Strategic Direction unit and, staff of the Executive Director's Office (Finance and Corporate Management).

This training is process-centric. It's primary focus is the departmental administrative processes which require specific tasks be completed, by specific positions, in a specified time. All the relevant legislative requirements, concerning those processes are explained and discussed.

STATISTICS AND PERFORMANCE

The statistics compiled for this reporting period include:

- Privacy data from the former Western Economic Diversification Canada (WD) for the period April 01, 2021 to August 05, 2021 inclusive
- Privacy data from Prairies Economic Development Canada (PrairiesCan) for the period August 06, 2021 to March 31, 2022 inclusive

The statistics compiled for this reporting period, as described above, shall be described, cited and understood as belonging to PrairiesCan, for this report.

PrairiesCan completed four privacy requests in the 2021-2022 fiscal year. Fifty percent of those were completed within their legislated timeline.

REQUEST COMPLETION TIME (DAYS)						Total
1-30	31-60	61-120	121-180	181-365	>365	
2	0	2	0	0	0	4

- Twenty-five percent of completed privacy requests were disclosed in their entirety.
- Twenty-five percent of completed privacy requests were disclosed in part.
- Twenty-five percent of the privacy requests produced no records.
- Twenty-five percent of the privacy requests were abandoned by the requester.

One privacy request was carried over from the 2020-2021 fiscal year. That request was subsequently abandoned during the 2021-2022 reporting period. It was beyond its legislated timeline at the time it was abandoned.

No extensions were taken.

No privacy consultations were received or completed during the reporting period.

PrairiesCan did not complete any Privacy Impact Assessments during the reporting period.

No disclosures were made under paragraph 8 (2)(m) of the *Privacy Act* during the reporting period.

PrairiesCan has no active privacy complaints. No privacy complaints were received or concluded during the 2021-2022 reporting period.

No material privacy breaches were reported in the 2021-2022 fiscal year.

PrairiesCan's ability to fulfill its *Privacy Act* responsibilities was not impacted by COVID-19 related measures. ATIP operations continued without interruption for the 2021-2022 reporting period.

OPERATIONAL COSTS ASSOCIATED WITH ADMINISTERING THE ACT

PrairiesCan's costs for administering the *Privacy Act* are based on the share of requests overall since privacy requests made up only 4.5% of all requests received by the PrairiesCan ATIP Centre of Expertise. The costs for the efforts of the program areas are then added. No costs resulting from the purchase of goods or services were incurred for the administration of the *Privacy Act*.

A total of 0.2 of an FTE was calculated as having been allocated to PrairiesCan's Privacy program. Total costs amount to \$13,648.
