

Regional Artificial Intelligence Initiative (RAII) – Supplemental Form

This supplemental form must be submitted with your online Application Form. Enter the information in the space provided.

Legal name of applicant organization:

SUPPLEMENTAL QUESTIONS

1. Does your organization have a strategy in place to ensure that it develops and deploys AI technologies ethically and in compliance with current and upcoming legislative standards in Canada (e.g., [Bill C-36](#))?

☐ Yes ☐ No

1a. If yes, please describe that strategy, how it is put into practice, and how your organization will adapt as legislative and regulatory standards change.

(Maximum 2,000 characters including spaces)

2. Does your organization have the plans, policies, and governance structures to prevent unauthorized use of, and access to, data you collect and use, to comply with relevant legislative and regulatory standards in Canada and target markets (e.g. [Canada's Personal Information Protection and Electronic Documents Act \(PIPEDA\)](#))?

☐ Yes ☐ No

2a. If yes, please describe those plans, policies, and governance structures, the legislative and regulatory standards that apply, and how your organizations will meet those standards.

(Maximum 2,000 characters including spaces)

3. Have you sought support from other Government of Canada (GoC) programs such as the National Research Council of Canada Industrial Research Assistance Program's (NRC IRAP) AI Assist program, or another GoC program?

☐ Yes ☐ No

3a. If yes, please indicate whether you have received funding from the AI Assist program or other government programs, and outline how proposed project activities and outcomes are complementary.
