COVID-19 is a new disease. The government of Canada, along with partners, are working hard to keep Canadians safe.

Symptoms of human coronaviruses may be very mild or more serious, such as:

• fever
• cough
• difficulty breathing

Symptoms may take up to 14 days to appear after exposure to the virus.

Avoid touching your eyes, nose or mouth, especially with unwashed hands;

Coronaviruses are most commonly spread from an infected person through:

• flying respiratory droplets

PharmaCare or additional expenses contact the Canada Revenue Agency at 1-800-959-2049.
