### Just released!

The 2018 *Canadian Cancer Statistics* special report was released on June 13, 2018.

Produced through a partnership between the Public Health Agency of Canada, Statistics Canada and the Canadian Cancer Society, this year's *Canadian Cancer Statistics* publication is a special report on cancer incidence by stage at diagnosis. It also includes an overview of cancer in Canada based on estimates from *Canadian Cancer Statistics 2017* and a guide to finding other cancer statistics through Statistics Canada's online database, CANSIM.
