

Thank you to the CCDR peer reviewers of 2016

Many thanks to the following people for the time and expertise they have given to the *Canada Communicable Disease Report* (CCDR) as peer reviewers in 2016. These individuals have worked anonymously, in their spare time, with no remuneration. Their comments and insights have been vital to enhancing the quality of articles published in CCDR that publishes practical and authoritative information for clinicians and public health professionals in Canada and internationally.
