## REMOTE WORKING COVID-19 EDITION

Saw or heard a <b>colleague's pet</b> during a video call	Talked for a few minutes without realizing you were on <b>mute</b>	Had to <b>call IT</b> for computer issues	Pretended to have 'video issues' because of a <b>bad hair day</b>	Missed what your colleague was saying because you were <b>too focused on what was behind</b> them
Sent a <b>GIF</b> to your colleagues	Bribed your kids with candy so they would leave you alone	Said " <b>can you hear me</b> " during a meeting	Told your colleagues about the <b>weather</b>	Accidentally disrupted a meeting by forgetting to put yourself on <b>mute</b>
Mixed up your routine by <b>working outside</b>	Joked about how short your <b>commute</b> is	<b>FREE</b>	Tried to predict when we would <b>go back to the office</b>	Took over your <b>kitchen table</b> as your desk
<b>Met your colleagues' family</b> over a virtual video call	<b>Worked out</b> during your lunch break	Wore a nice shirt with <b>sweatpants</b> during a conference call	Participated in a virtual <b>baking session</b> with your colleagues	Asked " <b>is _____ on the line?</b> "
Took a <b>coffee</b> break... or three	Had your family poke fun at your " <b>work voice</b> "	Ended a call or email with " <b>stay safe!</b> "	Heard <b>dishes</b> being washed in the background	Were late to a meeting on account of <b>technical difficulties</b>
