

## Claim Form for Compensation for Damages for Severe Impacts and Other Demonstrable Cases Caused by the Phoenix Pay System

### Purpose

This form is for current and former employees filing a claim under the Phoenix Damages Agreement (Agreement) for compensation for severe impacts attributed to issues with the Phoenix pay system. Former employees are eligible only if they were employed either on an indeterminate basis or for a term of more than 3 months between April 1, 2016 and March 31, 2020 in a position represented by one of the bargaining agents who have signed on to the [Phoenix Damages Agreement](#)<sup>1</sup>.

Severe impacts could include:

- financial costs or lost investment income due to delays in pay attributed to Phoenix;
- leave taken because of health issues related to Phoenix; or
- severe damages and personal hardship because of Phoenix issues.

Claims on behalf of the estate of a deceased employee or of a former or current employee who is not capable of making a claim themselves may be filed by a legal representative. Documentation verifying eligibility to act on a claimant's behalf must be provided.

This claim form is for the purposes of applying for damages under the Agreement and is governed by the Agreement's terms and conditions. It is not intended to amend or modify the Agreement. In case of a discrepancy between the claim form and the Agreement, the terms and conditions of the Agreement will prevail.

### Important information for claimants

- In order to be eligible to file a claim, you must have incurred damages **between April 1, 2016 and March 31, 2020** as a result of your Phoenix pay issues.
- Claimants may submit a claim for compensation under more than one category of damages. Please read each section carefully and complete all sections of this form that apply to your situation. To further ensure your understanding of each category of damages, please **review and familiarize yourself with the Agreement before starting to file your claim.**
- **A one-time threshold of \$1,500 applies with respect to some of these categories**, meaning the amount of damages must be greater than \$1,500 for a claim to be considered. Threshold will be applied once the claim is assessed and resulting damages are calculated. If the claim does not meet the threshold, the calculation will be explained to the claimant. For more information please see the Agreement.
- Where damage compensation is based on salary, claim payments will be calculated using the last rate of pay shown in the Phoenix pay system at the time your claim is processed. Therefore, if you have any outstanding pay increases that are owed to you, **you may wish to wait until the increases have been processed in Phoenix and paid out before submitting your claim.**
