Introduction

The purpose of this publication is to celebrate the outstanding achievements of members of Her Majesty’s Canadian Armed Forces (CAF). While the granting of the honour or award itself constitutes the appropriate recognition of their actions from Crown and Country, this is only the beginning. Their stories and achievements must be communicated to other CAF members and all Canadians for the true meaning of ‘honouring’ to be achieved. Their service epitomizes the highest standards of devotion to duty, courage and leadership in the military profession. Beyond the presentation of their insignia, these individuals become role models and their actions inspire others to emulate their behaviour, and instil pride in our country. This publication will allow everyone to understand the array and number of honours and awards granted to CAF members in 2015 and share the amazing stories of these outstanding Canadians.

The scope of this publication is limited to the honours and awards publicly announced during the year 2015 as opposed to the date of approval or presentation of the award. The announcement date is determined either by the Rideau Hall press release, the publication of the CANFORGEN or the publication of the award in The Canada Gazette, whichever comes first.

The honours and awards included are only those awarded to CAF members and members of allied forces or civilians working with the CAF, that are either administered by the Department of National Defence or in which award process the Department is somehow involved. CAF members regularly receive honours from other sources, which while being authorized for wear, are not recorded here. For example, a reservist who is also a police officer may be awarded the Police Exemplary Service Medal or made a member of the Order of Merit of the Police Forces, these honours are not recorded herein.

The postnominals recorded in the lists of the recipients reflect the honours held by the person before the award being announced; this allows the reader to see the cases where a person has been promoted within an order. The rank indicated is that held by the person at the time of the nomination.

This publication does not include the full history and criteria for the honours and awards concerned but only a brief outline with the focus being on the 2015 recipients and their achievements. Details of the honours and awards themselves can be found in the references provided at the end of this publication.

“We honour those we value and through them, as mediators, we reach out for models to follow so that our hopes and our aims may be joined.”

— Maxwell Cohen, OC, QC, 1978

The level of responsibility assumed by the individual determines the level of appointment.

While these appointments were announced in 2014 and therefore included in last year’s report, some photographs of the investitures are included in the following pages.

The 66th list was announced in CANFORGEN 211/15 on 30 November 2015 and contained the appointment or promotion of 106 distinguished CAF members into the Order including five Commanders, 21 Officers and 80 Members. These individuals will receive their insignia at investitures to be held in 2016.

Honours and Awards are not a right but a privilege conferred by the Crown upon those who are honourable, based on set criteria. Orders are societies of merit and those admitted to them have demonstrated a high degree of professionalism and become role models for others to emulate. If a member of such an order breaks the principle of honour or brings disrepute to the order in question, the person may be excluded from this fraternity of merit in order to protect the integrity and respect of the honour. 2015 saw the very first termination of an appointment in the Order of Military Merit since its establishment in 1972. In accordance with the Constitution of the Order, the termination was made through an ordinance signed by the Governor General further to a recommendation from the Advisory Council of the Order. This was carried out in light of six guilty pleas entered by the individual in two distinct CourtMartials in 2012 and 2014 respectively. The termination was approved by the Governor General on 22 December 2014 and was announced by a Rideau Hall press release on 6 February 2015, by CANFORGEN 021/15 of the same day and published in the Canada Gazette the following day.

On behalf of THE QUEEN, the Governor General signed an ordinance to terminate the membership of the following in the Order of Military Merit:

Lieutenant-Colonel Deborah Lynn MILLER, OMM, CD
Rear-Admiral Patrick Terence Finn, OMM, CD, receives his insignia of Commander of the Order of Military Merit from His Excellency the Right Honourable David Lloyd Johnston, CC, CMM, COM, CD, Governor General and Commander-in-Chief of Canada, Rideau Hall, 8 June 2015.

The Most Venerable Order of the Hospital of St. John of Jerusalem

Appointments and promotions in the Order of St. John recognize outstanding or exceptional service with the Order, mainly through its two foundations, the St. John Eye Hospital in Jerusalem and St. John Ambulance. The grades are Serving Member (formerly known as Serving Brother or Sister), Officer, Commander, Knight or Dame of Justice or of Grace and Bailiff or Dame Grand Cross, the latter being the highest.

Only those appointments and promotions in the Order which have been made on the recommendation of the Department of National Defence are included hereunder. The same applies for the other awards of the Order. Several other CAF members have been honoured through the Order on the recommendation of other bodies such as St. John Ambulance. The DND appointments were announced through CANFORGEN 190/15 on 22 October 2015.

The 2015 Silver Cross Mother is Mrs. Sheila Anderson, mother of the late Corporal Jordan Anderson who was killed by a roadside bomb along with five other Canadian soldiers as well as an Afghan interpreter, in the Panjwaii district southwest of Kandahar City, Afghanistan, on 4 July 2007.
The Tomb of the Unknown Soldier is to remind all Canadians of the human cost of our country's commitment to the cause of peace and freedom in the past, in the present, and in the future. This sarcophagus was built at the front of Canada's National War Memorial in Ottawa to contain the remains of an unknown Canadian soldier who died in France sometime during the First World War (1914-1918). We do not know his age, or the unit he fought with, or the date of his death; no one does. The Remains were exhumed from Cabaret-Rouge British Cemetery, Souchez, Plot B, Row E, Grave 7. A marker, resembling the other Commission headstones in the cemetery, sits on the now empty grave. It is inscribed as follows:

"THE FORMER GRAVE OF AN UNKNOWN CANADIAN SOLDIER OF THE FIRST WORLD WAR. HIS REMAINS WERE REMOVED ON 25 MAY 2000 AND NOW LIE INTERRED AT THE NATIONAL WAR MEMORIAL IN OTTAWA CANADA"

CANFORGEN 123/15 is released announcing that Her Majesty Queen Elizabeth II approved the creation of the Polar Medal. The Program will incorporate and replace the Governor General’s Northern Medal. The Polar Medal will celebrate Canada’s northern heritage and recognize persons who render extraordinary services in the polar regions and Canada’s North. It will recognize those who have contributed to or endeavoured to promote a greater understanding of Canada’s northern communities and its people and honour those individuals who have withstood the rigours of the polar climate to make significant contributions to polar exploration and knowledge, scientific research, and the securement of Canada’s northern sovereignty.

The Governor General presides over the inaugural presentation ceremony of the newly created Polar Medal, at the MacBride Museum of Yukon History in Whitehorse, Yukon. During the ceremony, the governor general presented Second Lieutenant Dorothy Tootoo, the first CAF member to receive this honour, with the Polar Medal. Second Lieutenant Tootoo of Rankin Inlet, Nunavut, is the officer responsible for sustaining the cadet program in Rankin Inlet. Demonstrating unwavering commitment to the program, she has enlisted the support of Elders within the community to establish a mentoring program. In addition, as the residence manager at Arctic College, she seeks out every opportunity to help students persist in their studies and achieve their goals.

CDS Commendation, Command Commendation and CF Medallion for Distinguished Service

An announcement was made on 7 April 2015 advising that the Armed Forces Council had approved revised criteria for the subject awards in order to clarify eligibility, expand eligibility of the CDS Commendation for civilians and create a lapel pin to accompany individual awards of the CF Medallion for Distinguished Service (CFMDS). The amended criteria are as follows:

1. The CDS Commendation may be awarded to:
   a. Members of the CAF (including members of the Regular Force, Primary Reserve, COATS, Canadian Rangers) and holders of honorary appointments, for a deed or activity beyond the demands of normal duty
   b. Members of the armed forces of a country other than Canada for an achievement or for meritorious service that is of benefit to the CAF or Canada
   c. Canadian civilians who are members of a uniformed Canadian government service or organization (such as but not limited to the Royal Canadian Mounted Police, Ontario Provincial Police, Canadian Border Services Agency, Correctional Service of Canada, etc.) working in conjunction with the CAF, for a deed or activity beyond the demands of normal duty that is of benefit to the CAF
   d. Other civilians for a specific deed or activity, beyond the demands of normal duty and limited in time, that is of benefit to the CAF

2. Further to sub-section D, in all other circumstances the appropriate award for other civilians, such as the recognition of long-term distinguished service or support to the CAF, is the CFMDS

Honours & Recognition 2015
3. The Command Commendation may be awarded to:

a. Members of the CAF (including members of the Regular Force, Primary Reserve, COATS, Canadian Rangers) and holders of honorary appointments, for a contribution affecting or reflecting well on the Command

b. Members of the armed forces of a country other than Canada for an achievement or for meritorious service that is of benefit to the Command, the CAF or Canada

c. Civilians for a deed or activity beyond the demands of normal duty that is of benefit to the Command or the CAF

4. The CDS grants the authority to specific commanders to award the Command Commendation. The CDS has directed that only commanders of an official command IAW the relevant ministerial organization order, and reporting directly to the CDS, may be granted this authority in the future. The list of commanders who can currently award the Command Commendation is as follows:

A. VCDS
B. COMD RCN
C. COMD CA
D. COMD RCAF
E. COMD MILPERSCOM
F. COMD CJOC
G. COMD CANSOFCOM
H. COMD CFINTCOM
I. DCINC NORAD

5. The CF Medallion for Distinguished Service is awarded by the CDS on behalf of the CAF to recognize distinguished or outstanding service performed by persons other than active military personnel or by civilian groups. It is awarded for service of a rare and exceptionally high standard, usually over a long period of time, which accrues great benefit to the CAF as a whole. The performance, by civilian individuals, of a specific deed or activity, beyond the demands of normal duty and limited in time, may instead be recognized by the CDS Commendation. Note that the other parts of the criteria for this award remain unaltered

6. A lapel badge shall henceforth accompany individual awards of the CFMDS. Those persons who have been awarded a CFMDS since its design was changed on 1 January 2010 may contact DH&R 5-2 by email at DHR-DDHR@forces.gc.ca to obtain a lapel pin

This image shows the Minister of National Defence, the Chief of the Defence Staff, as well as recipients of the Star of Military Valour and family members of fallen recipients after the plaque was unveiled.

On 25 May 2015, the Honourable Jason Kenney, PC, MP, then Minister of National Defence, and Warrant Officer Patrick Tower, SMV, CD (Retired), unveiled a commemorative plaque at the Valour Building in Ottawa to honour 20 recipients of the Star of Military Valour – the highest decoration awarded during Canada’s 12-year mission in Afghanistan – for their courage, self-sacrifice and devotion to duty. Warrant Officer (then Sergeant) Tower was the first CAF member to be awarded the Star of Military Valour for his valiant actions taken on 3 August 2006, in the Pashmul region of Afghanistan.
