F. of M. Comp.	Date of Inspection.	Date when drill was completed.	REMARKS.
Nil.	Very good.	Nil.	No.	Good.	Arm and Company Drill. The non-commissioned officers and men answered with intelligence, questions on the construction of batteries, &c., having had lectures as well as practical instruction from Lieut. Devine, "B" Battery.	Yes.	Returns not yet received.					Lt. Devine, who has a 1st class certificate from Que. G. S., has given instruction to his men elementary field fortification, knotting, lashing, making facines gabions and mounting guns in Battery, &c. In addition to attending the number of drills required they have attended ten voluntary drills, crossing to St. Helens for that purpose. The want of uniform has been a drawback to the corps; it was received only two days before inspection. Armoury in a bad state.
												This Company has not drilled this year. Had better be broken up, or the men transferred to No. 1 if willing.

performed the Annual Drill for 1874-75.—Continued.

Cost of rations per head, per diem, at encampment.	General conduct of Corps.	If any, and what casualties.	Whether in possession of band. Number of Musicians, and proficiency.	General state of Clothing, Arms and Accoutrements.	Nature of Movements at Inspection, and how performed.	Whether the men of the several Corps were <i>bonâ fide</i> enrolled members thereof, according to the Militia Act.	Whether the prescribed course of target practice has been performed, reporting number of non-exercised men, if any, giving average figure of merit of each Battalion, Corps and Company.		Date of Inspection.	Date when drill was completed.	REMARKS.
							F. of M. Batt.	F. of M. Comp.			
											Inspected on foot parade by D.A. G. of district in my absence, I have however to state as previously reported that the efficiency of this battery depends entirely on its commanding officer, who is unfortunately ill. One of the subaltern officers was reported medically unfit to ride at my last inspection, and should resign. No G.S. certificates.
											Inspected by D. A. G. of district in my absence, and also by the Major-General commanding. Both officers of this corps, 1st class "B" battery G. S. Report of commanding officer enclosed.

INSPECTION REPORT OF CORPS which have

Artillery Inspection, Province of Quebec. <i>Continued.</i>		Establishment.		Actual Strength present at Inspection.		Date and place of muster, and number of day's drill performed. performed the Annual Drill for 1874-75.—*Continued.*

Cost of rations per head, per diem, at encampment.	General conduct of Corps.	If any, and what casualties.	Whether in possession of Band. Number of Musicians and proficiency.	General State of Clothing, Arms and Accoutrements.	Nature of Movements at Inspection, and how performed.	Whether the men of the several Corps were <i>bond</i> &c. enrolled members thereof, according to the Militia Act.	Whether the prescribed course of Target practice has been performed, reporting number of non-exercised men, if any, giving average figure of merit of each Battalion, Corps and Company.		Date of Inspection.	Date when drill was completed.	REMARKS.
							P. of M. Batt.	P. of M. Comp.			
	Good.	One man hurt his leg. Two horses died.	No.	Good order.	Gun Drill and practice excellent. Field Artillery movements good. Knowledge of Ammunition. Non-commissioned Officers very good.	Yes.			22nd September, 1874.	22nd September, 1874.	I would recommend this Battery to be armed with 9-pr. M.L.R. guns, 6 cwt. It is well horsed & marched from Granby to La Prairie Cp. The commanding officer submitted an excellent route map and report, forwarded herewith, requesting it may eventually be returned. The Sergt.-Major and all the N.C.O. in charge of sub-divisions are 2nd Class "B" By. G.S., and very intelligent.
											Inspected by D.A. G. of District, in my absence, and by Major - Gen. commanding. This Corps availed themselves eagerly of the Branch School of Gunnery at Montreal and showed a very marked improvement in efficiency at my last inspection.
											I believe this Corps exists only on paper. I recommended its being struck off Militia Artillery last year.

Whether the prescribed course of target practice has been performed, reporting number of non-exercised men, if any, giving average figure of merit of each Battalion, Corps and Company.			REMARKS.
							F. of M. Batt.	F. of M. Comp.	Date of Inspection.	
Nil.	Very good.	None.	No.	Very good order.	Infantry Drill very good. Having no guns, could do nothing else.	Yes.			8th October, 1874. 8th October, 1874.	This Corps are physically the finest Battery Volunteer Garrison Artillery I have seen in Canada. Should have guns <i>vide</i> report.
										This Corps has not trained for two years. I recommend its being struck off military strength.
