

# #FloodReady COMMUNITIES

Floods can occur in any region, at any time of the year.  
You and your community can play a crucial role in  
**protecting your homes and families.**

Here's how to help your community be **#FloodReady**:

Understand  
the flood risks in  
your community.

Share and discuss  
flood-readiness  
with neighbours.

Ask about  
municipal  
government  
programs to  
prevent flood  
damage.

Find out what  
residents can  
do to prevent  
flood damage.

**Don't wait for the water!**
