

# Be **#FLOODREADY** ALL YEAR ROUND

Overland flooding can happen anywhere in Canada, any time of the year. To be #FloodReady this fall, add these tasks to your seasonal list of home maintenance.

## *Fall Checklist*

Clear leaves from eavestroughs, downspouts, and drains.

Put sealant around basement windows and beneath ground-level doors.

Install flood shields/barriers for basement windows and doors.

Raise large appliances in the basement above the potential water level from a flood.

**Don't wait for the water!**

**Take steps to protect your property.**
