

Be **#FLOODREADY** ALL YEAR ROUND

Flooding can happen anywhere in Canada, any time of the year. To be #FloodReady this winter, add these tasks to your seasonal list of home maintenance.

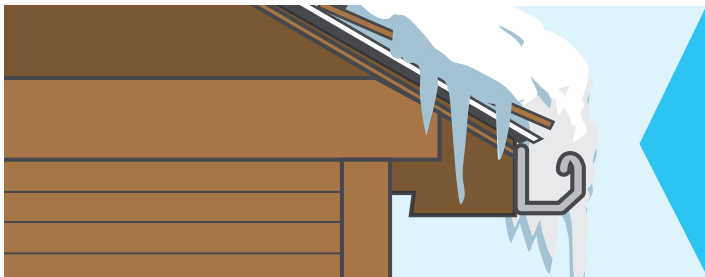

Winter Checklist

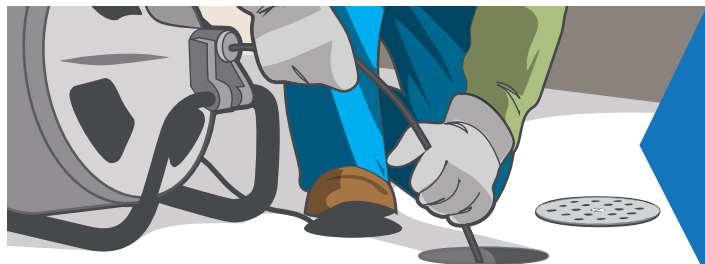

Clear ice from outdoor drains and downspouts.

Remove snow from ground floor doors and window wells.

Check that roof does not have ice dams.

Make sure basement drains are not blocked or covered up.

Don't wait for the water!

Take steps to protect your property.
