

## A collection of various tools and hardware items. From left to right, there is a yellow pencil with a grey eraser and a sharp lead tip, a grey wrench, a pair of yellow-handled pliers with a black adjustment screw, and several grey screws of different sizes. The items are arranged in a horizontal line.

**Your robot's name:**

Five colorful landscape illustrations are shown, each with a white geometric shape for labeling:

- 1. A landscape with a blue city skyline, a blue globe, and a purple path, with a white hexagon below it.
- 2. A landscape with orange and yellow hills, a blue sky, and a blue path, with a white circle below it.
- 3. A landscape with a blue sky, a green hill, and a blue path, with a white triangle below it.
- 4. A landscape with a yellow sky, green hills, and a blue path, with a white star below it.
- 5. A landscape with a blue sky, green hills, and a blue path, with a white square below it.
