

# A Better World

*A storytelling adventure for youth ages 7–12.*

**A Better World** is a FREE, interactive storytelling activity designed to spark teamwork, creativity, and big conversations about inclusion, fairness, and gender equality - all through the eyes of a bunch of adventurous robots.

In this activity, you and your adventurers will embark on an intergalactic mission to visit four robot worlds. They'll read stories, face challenges, and work together to bring back bold ideas for making their own world, Ebarliz, the best it can be for everyone.

Perfect for youth programs or clubs, community activities, classrooms, after-school groups, or a fun family game night!

## Why gender equality?

Learning about gender equality helps kids understand that fairness, kindness, and respect build a future where everyone has the same opportunities to succeed and achieve their full potential.

**A Better World** gives you the tools to help you start those conversations in a simple, age-appropriate, and engaging way.

## Why kids AND grownups love it:

- ✓ Age-appropriate, inclusive storytelling.
- ✓ Discussion-based, cooperative, and creative learning activity.
- ✓ Flexible format that can fit into 1 hour or spread over multiple sessions.
- ✓ No prep needed! Ready-to-use online or printable versions in English and French.

## Take a sneak peek into the cosmic worlds of **A Better World**

On **Amlie**, a shape debate is shaking up who's in charge.

On **Int**, some robots refill while others race ahead.

On **Arscaly**, a new invention has everyone buzzing.

On **Orfno**, a bouncy adventure leaves some robots behind.
